

EXPANDING YOUR HORIZON

# STRATEGIST MIND

We have all heard the word **ACCOUNTABILITY**, why then are there issues. The leaders and team lack 100% trust in each other, thus **TOTAL COMMITMENT** is **LACKING**

For this to work your team needs to be exposed, trained, coached, mentored by **WHO EVER** on **STRATEGY, STRATEGY EXECUTION**, real **ACCOUNTABILITY**.

Then there is the issue that the **STRATEGY** is **TOO CUMBERSOME**, too much to do with incorrect resources

**YOU** need in our new world **UNORTHODOX** thinking combined with less **CONVENTIONAL** thinking, **INTERESTING???**
