

# LEADERSHIP & SALES INFLUENCER

**EXPANDING YOUR HORIZON**

**Your business operations will be disrupted every day, that's the new deal Does your leadership team understand this, if so what are they doing about it?**

**Does your sales manager and team know the Art and Science of selling? In the AS model where does your team need to improve**

**Are you a leader that has focus, hope and inspires every day? If not, time you sorted out the SSDD mind set**

**When last did you do a client value audit? How do you go about this?**
